LABOUR ORGANIZATION REGISTRY

1989

Program Planning and Review Division

INTRODUCTION

This publication is the Labour Organization Registry for 1989. It contains a listing of trade unions, business agents/representatives and employer organizations within the Province. This publication is issued annually and updated according to information received on the trade union return forms.

Located in the back of the directory, is a Trade Union Return Form and a self-addressed stamped envelope. It would be appreciated if you could complete this form and return it to the Department of Labour after your annual election meeting is held.

In the event that the name of a trade union, business agent/representative or employer organization has been omitted from the listing, please contact the Department of Labour (576-5648). The file number located next to the name of each trade union is for internal department use.
